PROFESSIONAL EXPERIENCE

BGS Group

Lead Key Account Manager / Key Account Manager · International B2B Sales · Mar 2024-Aug 2026

- Managed the full cycle of international B2B sales: prospecting, qualification, consultative selling, negotiation, closing, relationship management and account growth.
- Promoted to Lead Key Account Manager within 3 months due to commercial results, autonomy and work with high-value accounts.
- Closed the largest deal of the project: a £22,000 Diamond Sponsorship.
- Led negotiations with CEOs, CTOs, General Managers and Business Development Directors of international companies.
- Developed relationships with strategic accounts including Shell, BP, Saudi Aramco, ENI, LNG companies and global energy corporations.
- Conducted negotiations, presentations and business correspondence fully in English.
- Consistently exceeded KPIs through opportunity prioritization, accurate follow-up and pipeline management.
- Identified client business needs, used stakeholder mapping and proposed relevant sponsorship and partnership solutions.
- Grew account value through cross-selling, upselling and long-term relationship development.
- Represented the company at international congresses and supported the organization of LNG Congress and AUTOA Plus.

Skyeng

Sales Manager · EdTech Sales · Mar 2021-Oct 2023

- Ranked among top sales performers and won premium sales competitions.
- Sold subscription-based education products through needs discovery, objection handling and value-based positioning.
- Built rapport with different client types, including clients who initially doubted their ability to start learning English.
- Converted hesitation into purchase motivation through empathy, barrier diagnosis and clear product value explanation.
- Mentored new team members and supported the launch of new subscription products.

Netology

Sales Manager · Consultative Sales · 2021

- Conducted consultative sales conversations to identify client goals, barriers and decision criteria.
- Managed CRM pipeline: lead tracking, follow-ups, deal stages and conversion opportunities.
- Delivered product presentations focused on client needs, value proposition and expected results.
- Qualified inbound and outbound opportunities by motivation, fit and readiness to purchase.

EDUCATION

University of Bologna

Master's Degree — Digital Humanities and Digital Knowledge · Italy · 2026

- Completed a full-time international Master's program taught in English.
- Studied digital products, UX, analytics, NLP, data analysis, information architecture and project management.
- Collaborated with Digital Humanities international organizations on cultural heritage preservation projects.
- Worked on Digital Humanities projects connected with museums and cultural institutions in Bologna and Naples.
- Writing a Master's thesis in collaboration with Teatro alla Scala in Milan.
- Selected for an international Digital Humanities conference in Sardinia for strong academic performance.

Moscow Pedagogical State University

Bachelor's Degree — Computer Science Education

- Built a pedagogical and technical foundation in computer science, teaching methodology and structured explanation of complex systems.
- Completed around 12 psychology courses over 5 years: motivation, perception, communication and audience behavior.
- Applied teaching skills to sales: active listening, needs diagnosis, audience-specific explanation and handling resistance.

ICOM

Member of the International Council of Museums · UNESCO-associated professional network

- Maintains an international professional context in culture, museums and heritage preservation.
